FEDERAL COMMUNICATIONS COMMISSION  
OFFICE OF THE SECRETARY

In The Matter Of

Amendment of Section 73.202(b)  
FM Table of Allotments  
FM Broadcast Stations  
(Beverly Hills, Florida)

MM Docket No. 92-195  
RM-7146

TO: Chief, Allocations Branch  
Policy and Rules Division

Motion for Stay

Sarasota-FM, Inc. ("SFI"), licensee of FM Radio Broadcast Station WSRZ, Sarasota, Florida; Gator Broadcasting Corporation ("Gator"), licensee of FM Radio Broadcast Station WRRX, Micanopy, Florida; and Heart of Citrus, Inc. ("Heart"), licensee of FM Radio Broadcast Station WXOF, Beverly Hills, Florida, hereby request that the Commission suspend any action on the above captioned proceeding for fifteen (15) days to permit the parties to reach an accord with regard to the pending proposals in this proceeding. A temporary stay of this proceeding will permit the parties to resolve this proceeding to the satisfaction of each party in the proceeding, will not harm other parties in the proceeding, and will conserve the resources of the Commission and the parties in this proceeding. In support thereof, the following is hereby shown:

1. SFI/Gator and Heart have had pending before the Commission petitions for rule making since August and September, 1989, respectively. In September, 1992, the Commission issued a *Notice of Proposed Rule Making* 7 FCC Red 5010 (1992) (Chief Allocations

Branch) with regard to Heart's rule making petition. SFI/Gator filed a counterproposal in the proceeding, incorporating their pending petition for rule making and other proposals to permit upgrades for each party in the proceeding. Heart also filed a counterproposal in this proceeding. Because SFI/Gator and Heart propose to upgrade WXOF on different channels, their counterproposals are mutually exclusive.

2. Over the past several months counsel for SFI, Gator, and Heart have discussed the possibility of adoption of the Second Alternative contained in SFI/Gator's counterproposal. Adoption of the Second Alternative would permit the Commission to upgrade the facilities of WSRZ, WRRX, WXOF, and FM Radio Broadcast Station WLVU, Holiday, Florida. As reported in its Motion for Stay dated December 30, 1992, Counsel for SFI, Gator, and Heart met on Tuesday, December 22, 1992, to reach an agreement with regard to the Second Alternative. At the December 22, 1992 meeting, the parties agreed to pursue the Second Alternative. Since then the parties have negotiated a settlement agreement in principal to request the Commission to adopt the Second Alternative and hope to file a supplemental pleading urging adoption of the Second Alternative within the next several weeks. Sufficient progress has been made over the past few months that counsel for SFI, Gator, and Heart hereby request that the Commission suspend further action on this proceeding for fifteen (15) days in order to permit the parties to resolve this matter.

3. A temporary stay will permit the parties to agree upon a proposal that the Commission has already indicated serves the public interest. Favorable action on the Second Alternative contained in SFI/Gator's counterproposal would resolve favorably for all affected

parties a significant portion of the many pending proposals for service improvement in central Florida that have been advanced in MM Docket No. 87-455. In addition, favorable action would render moot pending pleadings in MM Docket No. 87-455, thereby permitting the Commission to substitute Channel 256A for Channel 292A at Avon Park and modify the license of WWOJ accordingly. This in turn would permit the Commission to initiate a rule making proceeding to upgrade the facilities of FM Radio Broadcast Station WGUL, New Port Richey, Florida.<sup>1</sup> In addition, granting the Second Alternative would eliminate a new shortspacing between WRRX and WXTB, Clearwater, Florida, proposed by the licensee of WXTB, Great American Television and Radio.

4. Favorable Action on the Second Alternative would conserve the Commission's resources in considering SFI's pending *Application for Review, Motion for Stay, and Opposition to Order to Show Cause and Request for Evidentiary Hearing and Other Relief* in MM Docket No. 87-455. The alternative is delayed service to the public and protracted litigation among proponents of upgrades for rival stations.

5. As demonstrated above, SFI, Gator, and Heart have satisfied the requirements for a temporary stay of this proceeding. *Washington Metropolitan Area Transit Commission v. Holiday Tours, Inc.*, 559 F.2d 841, 843 (D.C. Cir. 1977); *Virginia Petroleum Jobbers Assn v. FPC*, 259 F.2d 921, 925 (D.C. Cir. 1958). To wit, SFI, Gator, and Heart have demonstrated that: 1) they are likely to succeed on the merits because the Second Alternative serves the public interest; 2) failure to grant the stay will force SFI, Gator, and Heart to continue to advocate

their respective counterproposals with the result of additional litigation;  
3) a temporary stay will not harm the other parties in this proceeding  
and in fact will expedite Commission consideration of matters in this  
proceeding, MM Docket No. 87-455, and RM-6869; and 4) granting a  
temporary stay will permit SFI, Gator, and Heart to reach an agreement  
with regard to this proceeding which will conserve the resources of the  
Commission and the parties in this proceeding.

WHEREFORE, for the foregoing reasons, Sarasota-FM, Inc.,  
Gator Broadcasting Corporation, and Heart of Citrus, Inc. respectfully  
request that the Commission grant their request for a stay of this  
proceeding for fifteen [15] days in order for the parties to resolve this  
proceeding.

Respectfully submitted,

**Sarasota-FM, Inc.**
